

2010 Team USA ISDE Selection Procedure

A Letter of Intent (LOI) and \$75.00 fee is required from each rider who wishes to qualify for Team USA. The LOI and fee must be received by the AMA prior to the first qualifier entered by the rider.

The riders who earn a qualified position on the team to represent the United States in the 2009 ISDE must confirm with the AMA their ability to attend the ISDE by June 8, 2010. The 2010 ISDE team will be announced as early as possible after that date.

There will be four (4) qualifiers in 2010. In the East we will use two rounds of the AMA National Enduro Championship series as qualifiers. They will be Round 5 in TN on April 18 and Round 6 in MO on May 16. These will be one day Qualifiers. In the West we will have the Boise Ridge Riders Qualifier. It will be two (2) days and each day will be scored separately. We will select the teams based on the following criteria:

- Trophy Team - selected by the ISDE Advisory Committee.
- Junior Trophy Team – top rider under 23 years of age at January 1 of the year from East and West and 2 Wild Card riders.
- Women's World Cup Team – top woman rider (Class 5) from East and West and one (1) Wild Card rider.
- Senior Club Team – top rider over 40 (Class 4) from East and West and one (1) Wild Card rider.
- Club Teams - top two (2) riders from each FIM class (C1, C2 & C3) at each qualifier.

The FIM requires that the six (6) member Trophy team have entries in all three (3) Displacement class. The four (4) member Junior trophy team must have riders in at least two (2) displacement classes and is open to riders who are under 23 years of age at January 1 of the year of the event.

The Trophy team and Wild Card riders will be selected by the ISDE Advisory Committee based on a rider's Qualifier score, national or international standings for similar type competition, and/or prior ISDE experience. Any or all of these conditions will be considered for team placement with Qualifier scores the most important factor.

Riders will be eligible to participate on only one team. Your best Qualifier score in each region will be used for ranking. The qualifying riders will move up to the next qualifying position in the selection process as slots become available. For the purposes of qualifying, the three (3) FIM displacement classes will be used to determine eligibility. For Women (pending 2010 FIM rules) and Senior classes any displacement size may qualify.

The class that you qualify in is the class you will ride in at the ISDE.

Class 1

100cc – 125cc – 2 stroke
175cc – 250cc – 4 stroke

Class 2

175cc – 250cc – 2 stroke
290cc – 450cc – 4 stroke

Class 3

290cc – 500cc – 2 stroke
475cc – 650cc – 4 stroke

Class 4 - Senior (any size machine)

Class 5 - Women's (any size machine, pending 2010 FIM rules)
